

5 August 2009

Dear Parent

Have you noticed the newest addition to our school's physical facilities? Our pavilion's frame and roof sprung up like a toadstool and has been paid with funds, contributed over the last three years.

We have taken on this gigantic project and need your help to complete it. The total cost of the project adds up to R1 300 000.

A variety of fundraisers have been launched in an attempt to finance the pavilion. By doing one of the following, you can ensure an undercover seat for you and your child at sporting or other events:

- Support the McDonald's project, where you truly receive value for money. By buying a booklet, you truly win R130 of products – for free. It is not a competition. Winning is guaranteed.
- Sponsor the school by buying a brick, or a load of sand ... or by sponsoring the whole pavilion. (Compare the attached list.)
- Do you know of anyone who will supply building material at a discount or for free? Inform the principal.
- Any other fundraising events will be much appreciated. Inform us, please.

Please note: Cash contributions qualify for tax reduction. The school can supply the tax invoice.

Kind regards

CHRISTO GIE
